- Ideal for workgroups with heavy printing environments looking to increase productivity.

MSE BRAND
FEATURES & BENEFITS

- MSE has developed and employed a proprietary technology that reduces common issues, such as dusting and dumping, which are evident in cartridges currently on the market – even the OEM.
- Great dealer margins available to OEM customers seeking true alternatives to the very costly OEM cartridges.
- MSE approved this product using the markets most exhaustive testing protocols, including: environmental stress testing, accelerated aging testing, shipping simulation, and ISO 19752 testing.
